Student Introduction Examples

• Please introduce yourself so that we start to get to know one another. Indicate where you are physically located and add a piece of information that you would like to share about yourself.

• Introduce yourself and answer the following questions:
  – What is your experience with taking online classes?
  – What are your strengths as an online student?
  – What are you hoping to learn more about in this course?
  – What else would you like to share (personal or professional information) in order to feel more connected to others in the course?
