No
Not Sure
Please list any additional Quality Matters training, events or conferences.

**Quality Matters Internally-Reviewed Courses**

List the courses the nominee has developed that have gone through the QM Internal Review process. The course will have been reviewed by one member of the NMSU OCIP team.

**Quality Matters Formally Recognized Courses**

List any courses the nominee has developed that have been through an official QM Formal Review. The course will have been reviewed by three peer reviewers - at least one external to NMSU - and is nationally QM-certified.

**Category 3: Presentations**

**NMSU Presentations**

List any NMSU presentations or workshops in the last year, related to online course design and development and/or online teaching and learning. Include the title of presentation, date of presentation, and place of presentation.

**State, National and International Presentations**

List any state, national, or international conference presentations in the last year, related to online course design and development and/or online teaching and learning. Include the name of the conference, place of conference, title of presentation, date of presentation.
Category 4: Service

NMSU, State, or National Committees

Does this person serve on or have they served on any NMSU, state or national committees related to online course design and development and/or online teaching and learning? If yes, please list.

Leadership and Mentoring Activities

Please list any other leadership and/or mentoring activities related to online course design and development and/or online teaching and learning.

Narrative *

In 250 words or less, explain why you feel this person should be recognized as "Leading the Way" when it comes to online and blended instruction and/or course design. Include any characteristics or leadership abilities (promoter, supporter, advocate, or change agent) for online teaching and learning.
