Educator Guide

The Educator’s Guide to Flipgrid
2nd Edition
By Sean Fahey and Early Mora

Student Guide

What is Flipgrid?
Flipgrid is the leading video discussion platform used by teachers, students, and learners around the world. Teachers post topics to spark the conversation and students respond with short videos. Before your voice. Share your voice today in the voice of others.

Access for Students.
We welcome students to participate in Flipgrid discussions, using either web-based or mobile devices.

Let’s Start Recording!
5. Students select a topic and then tap the green plus to start the recording process.
6. Record a video: Flip the camera and pose while recording!
7. Review the video: Get confidence with unlimited videos.
8. Take a selfie: Customize the image to add eyes.
9. Enter info: Last step before submitting the video!

Watch as students have fun sharing their knowledge and learning from other student videos!
